

The floor plan of the second floor shows a Reception area on the left, followed by a staircase. The cabin layout is as follows:

Room Type	Room Type	Room Type	Room Type	Room Type
DELUXE TWIN	DELUXE TWIN		DELUXE TWIN	FAMILY SUITE
DELUXE TWIN	DELUXE TWIN		DELUXE TWIN	FAMILY SUITE

The floor plan shows a symmetrical layout of cabins on a ship's deck. The top row, from left to right, consists of a HERA TRIPLE SUITE, a staircase, two EXECUTIVE DOUBLE cabins, a HERA SUITE, and a small lounge area with two chairs. The bottom row, from left to right, consists of a HONEYMOON SUITE, two EXECUTIVE DOUBLE cabins, a HERA SUITE, and a small lounge area with two chairs. The ship's bow is indicated on the right side of the plan.

A detailed floor plan of a restaurant layout. The layout is rectangular with a pointed right side. On the left side, there is a 'BAR' area. The main dining area is filled with various tables: a 2x2 grid of square tables, a 2x2 grid of square tables, a 2x2 grid of square tables, and a 2x2 grid of square tables. There are also several rectangular tables, some with rounded ends, and a large circular table. The layout is symmetrical along a vertical axis.

A detailed floor plan of a restaurant. The layout includes a bar at the top, a kitchen area at the bottom, and a central dining area. The dining area is divided into two main sections by a central aisle. The left section contains several rectangular tables, some with chairs and some with stools. The right section contains a large rectangular table, a circular table, and a small square table. The kitchen area at the bottom is equipped with a sink, stove, and various storage units. The bar at the top has a counter and stools. The entire plan is enclosed in a rectangular border with a small semi-circular entrance at the top.

SUNBATHING & RELAXING AREA
